

## Health & Safety Policy

Service Ceilings Limited recognises that the disciplines of health and safety are an integral part of its management function. The organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Health & Safety Standards.

This policy has been compiled to meet with ISO45001 international standard.

The organisations Health & Safety policy calls for continuous improvement in its Health & Safety management activities and business will be conducted according to the following principals:

We will:-

- Comply with all applicable laws and regulations
- Follow a concept of continuous improvement and make best use of its management resources in all matters of Health & Safety.
- Communicate its objectives and its performance against these objectives throughout the organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work, including the general public.
- Work closely with our customers and suppliers to establish the highest Health & Safety standards.
- Adopt a forward-looking view on future business decisions that may have Health & Safety consequences.
- Train our staff in the needs and responsibilities of Health & Safety management
- Support all those who refuse to undertake work on the grounds of Health and Safety
- We shall review this policy at least once a year unless circumstances require an earlier review.
